The Siberian Railway.

The London Standard's Berlin correspondent states he is able to assert that there is a definite agreement between Russia and China with reference to the prolongation of the Siberian railway, with one or two more branches, through Manchuria.

After the payment of the first instalment of the indemnity, Japan will evacuate all the Chinese territory except Wei-Hai-Wei, which will be held, China defraying the cost of the occupation till the whole indemnity is paid, which will probably be in six years, though the Chinese are convinced they will be able to pay sooner.

Hood's Saved Their Lives

Poisoned by Impure Water

Now in Good Health, Lively, Happy

Eva, Carroll and Lily Brown
Stowe, Vermont.

"C. I. Hood & Co., Lowell, Mass.:

"Gentlemen:—Last winter, my two girls, boy and wife were taken ill. The doctors said they were poisoned by drinking water from an old well. The two girls failed to rally under the doctor's treatment. Eva, aged four years, fell away so she only weighed 18 lbs.; coughed all the time and was helpless. Physicians said

She Had Consumption.

Lily, aged eight years, was nearly as bad as Eva but being older and stronger, held up a little better. We gave them both Hood's Sarsaparilla, which built up their strength and health

so that they became fat and plump, lively and happy. My son Carroll was in a bad condition, having a bad cough and very weak. He was obliged to lie down most of the time.

One bottle of Hood's Sarsaparilla put him on his feet and restored perfect health. I believe Hood's Sarsaparilla saved my children's lives."

MRS. AUG. DARROW.

WELLS, RICHARDSON & Co.,

Gentlemen:—I was very much run down, had no appetite at all, was very nervous, had no sleep night or day; to sum it all up, I was perfectly wretched. But thanks to Paine's Celery Compound I can now eat and sleep and work just as well as I could before I was taken sick. When I commenced taking the Compound I weighed 136 pounds; I now weigh 158 pounds and do all the work for my family of five. I have recommended the Compound to three families already and they are very much pleased with it. I am now taking my fifth bottle, and would recommend it to all who are suffering with stomach trouble or nervous trouble.

Yours respectfully,
MRS. AUG. DARROW.

MONTROSE, PA., Sept. 25, 1894.
